Ms. Roig,

I enjoyed talking with you and am glad you understand that the \$500 payment is not optional and according to the Order that granted your company a certificate to operate in Florida that Regulatory Assessment Fees (RAFs) are due by January 30 each year. The following are the things we discussed and that you need to follow up on:

1. Payment of the \$500 fine postmarked by September 11, 2009. Make check out to Florida Public Service Commission. Send check to Fiscal Services Section, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399.
2. Send me by e-mail or letter that when you pay the fine that you understand that the docket will be closed and no further action will be taken.
3. State what address you want to be the official mailing address for your company.

I hope 2010 will be a better year for all of us. Thank you.

P.S. In December the Commission will mail out new RAF forms that all companies must return with payment for 2009 Fees that must be postmarked by January 30, 2010.
