We had originally placed the complaint against TECO by Ms. Menendez in undocketed matters (Dkt 090000; DN 09581-09). We have since opened new Docket 090448 per our conversation below. Can you please confirm that DN 09581-09 should be moved from Docket 090000 to new Docket 090448. Thank you, Jennifer!

No, I agree that it would be a new complaint docket.

Hi Jennifer, I asked Ruth to check with you. It was filed with us, we forwarded it to SSC, and SSC forwarded it back to us. So, before we set it up as a complaint docket, we wanted to confirm with staff/GCL that it needed to be a new complaint docket rather than putting it in an existing docket or undocketed matters.

Thanks, Ruth. I looks like it might get filed as a complaint, but I'm checking first with SSC to see whether it should/shouldn't be

Please let me know if this document should initiate a new docket proceeding. This document was forwarded to SSC, but returned to us yesterday. Thank you for your help.
