Katie, can you please check the original of this recommendation. It looks like a page is missing from the PDF version. It is DN 11756-09 in Docket 090125. Thank you for your help.

Hi Dorothy:

Just a heads up – it appears that Page 29 of the staff recommendation in the Chesapeake rate case is missing from the PDF file. (It is in the DOC file)

12/7/2009

Also, I had mentioned to Ruth that I would come by to pick up a hard copy of the rec, but since it has been put on line so quickly, I don't think I will make it, especially since the weather is so awful.

Hope you have a good weekend!
