wholly-owned subsidiary of the ultimate parent Columbus International, Inc., which is a Barbados corporation. (Columbus International, Inc. was formerly known as Ironbound Holdings (Barbados) Limited ("Ironbound"). Ironbound subsequently changed its corporate name to Columbus International, Inc.)

The current management and personnel of A. SUR Net, Inc. remains the same. A. SUR Net, Inc.'s customers continue to receive telecommunications services at the same rates, terms and conditions offered by A.
