The ordering paragraph is fine. This is the same ordering paragraph that we have used for the last several years and it's the same ordering paragraph that we have used for the other securities orders that have already been issued this year. The ordering paragraph states that the docket will be closed administratively once the Company submits and we have reviewed the consummation report. Just for a point of reference, the consummation report will not be filed until 90 days after the close of the year in which the Company is issuing securities. In this instance, the consummation report will not be filed until March or April of 2011. At that point, staff will review the report and will administratively close the docket. Thus, the ordering paragraph is correct. Please advise whether you have any other questions regarding this order.

Thank you,  
Katherine

Shalonda,

I've reviewed the order & there is a revision that needs to be made before the Clerk's Office can issue it. In the last ordering paragraph you have that the docket shall remain open to monitor the issuance and/or sale of securities until Chesapeake Utilities Corporation submits, and we have reviewed, the consummation report, at which time it shall be closed administratively. Note, per the recommendation and vote sheet the docket is to remain open until April 28, 2011 to allow the Company time to file the required Consummation Report.

If you have any questions, please feel free to contact me.

Otherwise, please make corrections and resubmit.

Thanks,  
Nonnye.

**Re: Docket No. 090487-GU**

Dear Ms. Keating:

This will acknowledge receipt of the application for authorization to issue common stock, preferred stock and secured and/or unsecured debt, and to enter into agreements for interest rate swap products, equity products and other financial derivatives, and to exceed limitation placed on short-term borrowings in 2010, by Florida Division of Chesapeake Utilities Corporation, which was filed in this office on October 22, 2009, and assigned the above-referenced docket number. Appropriate staff members will be advised.

Mediation may be available to resolve any dispute in this docket. If mediation is conducted, it does not affect a substantially interested person's right to an administrative hearing. For more information, contact the Office of General Counsel at (850) 413-6248 or FAX (850) 413-7180.

Please note as well that the Commission's Statement of Agency Organization and Operations requires certificated companies to notify the Commission of any changes in name, telephone, address, or contact person. Should your application be granted by the Commission, you will be expected to comply with this requirement by advising us of any changes as they occur.
