**RE:** Request for Confidential Classification of Document No. 09464-09 – Undocketed – 2009 Lifeline Report Data Request Responses

**Document No.** – 09464-09

**Description** – Lifeline and Link-Up program data requested by staff in its general data request dated August 3, 2009.

On September 11, 2009, TracFone Wireless, Inc. d/b/a Safelink Wireless (Safelink) filed a “Request for Confidential Classification” of documents titled “Confidential Safelink Enrollment Process” and “Confidential Training Document.” Upon staff’s review of the request, and subsequent discussion with Safelink, the company communicated to staff its preference that staff treat the document as a “Claim for Confidential Classification.” (See Attachment)

Safelink also communicated that if a party other than staff requests public disclosure of the document, Safelink would reassert its “Request for Confidential Classification.” If additional detail is needed, please advise. Thank You.

**Subject:** RE: Lifeline Report - Safelink Data Request Response

Curtis:

Per our discussion, please treat the filing made by TracFone Wireless, Inc on September 11, 2009 in the 2009 Lifeline Data Request as a Claim for Confidentiality rather than a Request for Confidentiality. If a party other than staff requests public disclosure of these documents, TracFone Wireless reserves the right to reassert its prior Request for Confidentiality pursuant to section 364.183(3), Florida Statutes.

Thank you.

Sincerely,

Jorge Chamizo, Esq.
