Re: Docket No. 090512-EI

Dear Mr. Goldenberg:

This will acknowledge receipt of the petition to initiate rulemaking by Stephen B. Goldenberg to amend Rule 25-6.105, F.A.C., Refusal or Discontinuance of Service by Utility, which was filed in this office on November 16, 2009, and assigned the above-referenced docket number. Appropriate staff members will be advised.

Mediation may be available to resolve any dispute in this docket. If mediation is conducted, it does not affect a substantially interested person's right to an administrative hearing. For more information, contact the Office of General Counsel at (850) 413-6248 or FAX (850) 413-7180.

Please note as well that the Commission's Statement of Agency Organization and Operations requires certificated companies to notify the Commission of any changes in name, telephone, address, or contact person. Should your application be granted by the Commission, you will be expected to comply with this requirement by advising us of any changes as they occur.

Cathi,

Per my conversation with Samantha, Mr. Goldenberg will be the only party of record until this matter goes before the Commissioners. No MCD notice of rulemaking or Electric Utilities designations will be included until CLK is instructed further.

Good morning, Adam.

CLK has received the attached letter requesting initiation of rulemaking. Since petitions for initiation of rulemaking are usually initiated by GCL or staff, I want to confirm that this should be entered as a new docket. If it is to be entered as a new docket, please provide a suggested docket title and advise what the prog mod should be. Thank you for your help.
