**Re: Tariff Notice Pursuant to Rule 25-9.044(3), F.A.C.**

Dear Ms. Cole:

Pursuant to Rule 25-9.044(3), Florida Administrative Code, please accept this letter as notification that Chesapeake Utilities Corporation's (Chesapeake) existing Florida Division (GU616), which provides service under the fictitious name "Central Florida Gas Company," will continue to operate its natural gas distribution utility using the rates, rules, and classifications on file with the Commission. The newly acquired subsidiary, Florida Public Utilities Company, will continue to operate under the name "Florida Public Utilities Company," as well as the rates, rules, and classifications currently on file with the Commission for both the natural gas utility business (GU603) and the electric utility business (E1803). Consequently, no tariff revisions are warranted at this time. Chesapeake will submit appropriate tariff revisions should any changes to the existing structure of the Florida Division or Florida Public Utilities Company be made in the future. In addition, Chesapeake recognizes that revised tariff pages will be required for Florida Public Utilities Company in order to reflect the changes resulting from the Commission's decisions in Docket No. 080366-GU, and intends to timely provide those revised pages.

Thank you for your assistance with this filing. Should you have any questions
