BEFORE ME, the undersigned authority, personally appeared Gerard J. Yupp, who, being first duly sworn deposes and says:

1. My name is Gerard J. Yupp. I am currently employed by Florida Power & Light Company ("FPL") as Senior Director wholesale operations in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibits B and C and the documents that are included in Exhibit A to FPL's Request for Confidential Classification. The documents and materials in Exhibit A which are asserted by FPL to be proprietary confidential business information contain bids and contractual data, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. This information also consists of competitively sensitive information, the disclosure of which would impair the competitive business of FPL and certain of its vendors. Specifically, the information contains information related to coal and other fuel purchase bids and contracts. Additionally, the information provided contains information related to the competitive interests of FPL and of vendors from whom FPL purchases or has considered purchasing coal and coal related services. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.
