Re: Docket No. 080007-EI Confidentiality Requests

Dear Mr. Burnett:

While catching up on outstanding confidentiality requests, staff has identified two requests for confidential classification filed by Progress Energy Florida, Inc. ("PEF") during the 2008 Environmental Cost Recovery Clause proceeding that have not yet been acted upon by the Commission.

Given that more than 18 months has passed since the original requests were made, I am writing to ask that you review the identified documents and determine whether any portion of these requests for confidential classification can be withdrawn, and the information declassified. For information that PEF believes should continue to be treated as confidential, I would appreciate it if PEF would file requests for extended confidential classification. Thank you for your time and attention, and please do not hesitate to contact me if you have any questions.

Document No.	Document Description	Date of pending request
02548-08	Information included in Exhibit PQW-1 to the testimony of Patricia West	April 2, 2008
04582-08	Documents related to Audit Control No. 08-029-2-1	May 29, 2008

Sincerely,

Martha Carter Brown
