Case Background

This docket concerns Commission Rule 25-22.061, Florida Administrative Code (F.A.C.), Stay Pending Judicial Review, which addresses the Commission's granting of stays of its orders, including provisions concerning automatic stays. This rule implements the Florida Administrative Procedure Act Section 120.68, F.S., Judicial Review, subsection (3), that provides, in part, that the filing of a petition with the court does not itself stay enforcement of the agency decision, and that the agency may grant a stay upon appropriate terms. Rule 25-22.061 applies when a party files an appeal of a Commission order and requests that the Commission stay the effect of that order pending judicial review. The rule currently includes provisions addressing automatic stays to certain public entities which appeal Commission orders.
