**Re: Docket 000121A -- Investigation into the establishment of operations support systems permanent performance measures for incumbent local exchange telecommunications companies. (AT&T FLORIDA TRACK)**

Dear Ms. Cole:

I write to provide the Commission with the answers of the Competitive Carriers of the South, Inc. ("CompSouth") to the three questions emailed to certain parties by the Florida Cable Telecommunications Association ("FCTA") on March 26, 2010. CompSouth's answers are as follows:

1. CompSouth has reviewed the response of, and matrix provided by, AT&T and agrees with same.
2. Per the Settlement Agreement, CompSouth takes no position on Tier II. The state commissions covered by the Settlement Agreement should address the merits of eliminating or retaining Tier II as each one sees fit.
3. See the response to the prior question. Further, the change in Tier I payments represents a negotiated compromise and was intended to incent AT&T to improve performance and to cure persisting performance issues.

If staff has any questions, please contact me at 850-425-1614.

Sincerely,

Matthew Feil
