AFFIDAVIT OF MARCIA J. OLIVIER IN SUPPORT OF
PROGRESS ENERGY FLORIDA'S
SECOND REQUEST FOR CONFIDENTIAL CLASSIFICATION

STATE OF FLORIDA

COUNTY OF PINELLAS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Marcia J. Olivier, who being first duly sworn, on oath deposes and says that:

1. My name is Marcia J. Olivier. I am over the age of 18 years old and I have been authorized by Progress Energy Florida (hereinafter "PEF" or the "Company") to give this affidavit in the above-styled proceeding on PEF's behalf and in support of PEF's Second Request for Confidential Classification. The facts attested to in my affidavit are based upon my personal knowledge.

2. I am the Supervisor of PEF Regulatory Planning Strategy. This department is responsible for the regulatory accounting and reporting activities at Progress Energy Florida, Inc.

3. As PEF's Supervisor of Regulatory Planning Strategy, I am familiar with certain PEF business strategies, projected earnings, and budget information.

4. In its Second Request for Confidential Classification, PEF is seeking confidential classification for portions of PEF's responses to SACE's First Request for Production of Documents (Nos. 1-5). The information for which PEF seeks confidential classification is more specifically described in Attachment C to PEF's Second Request for Confidential Classification.

5. Portions of documents responsive to question #1 contain sensitive business information such as pricing estimates, projected earnings, and projected spending, the disclosure of which would adversely impact PEF's competitive business interests. For example, if PEF's suppliers or providers were made aware of such pricing estimates, projected earnings, and projected costs, they may adjust their behavior in the market place with respect to activity such as pricing and the provision of goods, materials, and services. Such suppliers and providers may decrease supply of such goods and services, and/or increase the cost and prices of such goods and services.

6. Strict procedures are established and followed to maintain the confidentiality of the terms of the confidential documents and information at issue, including restricting access to those persons who need the information and documents to assist the Company. At no time has the Company publicly disclosed the confidential information or documents at issue. The Company has treated and continues to treat the information and documents at issue as confidential.

7. This concludes my affidavit.

Further affiant sayeth not.

Dated this 11th day of May, 2010.
