DOCKET NO. 100001-EI
ORDER NO. PSC-10-0336-CFO-EI
ISSUED: May 27, 2010

ORDER GRANTING TAMPA ELECTRIC COMPANY'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION OF CERTAIN INFORMATION CONTAINED IN SCHEDULE A12 FOR
JANUARY THROUGH DECEMBER 2009
(DOCUMENT NO. 01722-10)

On March 12, 2010, pursuant to Section 366.093(3), Florida Statutes (F.S.), and Rule 25-22.006(3), Florida Administrative Code (F.A.C.), Tampa Electric Company (TECO) filed a request for confidential classification of certain highlighted information contained in Schedule A12, Page 2 of 2 (Bates Stamp page 228) for the period January 2009 – December 2009. (Document No. 01722-10). This request was filed in Docket No. 100001-EI.

Request for Confidential Classification

Section 366.093(1), F.S., provides that “any records received by the Commission which are shown and found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act].” Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company’s ratepayers or business operations, and has not been voluntarily disclosed to the public. Paragraphs (d) and (e) of Section 366.093(3), F.S., provide that proprietary confidential business information includes, but is not limited to “[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;” and “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.”

TECO contends that certain highlighted information contained in Schedule A12, Page 2 of 2 (Bates Stamp page 228) for the period January 2009 – December 2009, falls within these categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006(3), F.A.C. TECO states that this information is intended to be and is treated by TECO as private and has not been publicly disclosed.

TECO alleges that the information in question shows actual purchase amounts pursuant to confidential contracts negotiated by and between TECO and certain energy providers. TECO argues that as such, the information in question is information concerning bids or other contractual data the disclosure of which would impair the efforts of TECO to contract for goods

and services on favorable terms. TECO also argues that the information provided relates to the competitive interests of TECO and thus would impair its competitive interests.

Ruling

Upon review, it appears the above referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information and, thus, shall be treated as confidential. The information constitutes “[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms” and “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Thus, the information contained in Document No. 01722-10, shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless TECO or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Nathan A. Skop, as Prehearing Officer, that Tampa Electric Company’s Request for Confidential Classification of information contained within Document No. 01722-10, is granted. It is further

ORDERED that the information in Document No. 01722-10, for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Nathan A. Skop, as Prehearing Officer, this 27th day of May, 2010.

Commissioner and Prehearing Officer
