Subject: RE: Undocketed filing

Per this e-mail, DNs 02846-10 and 02873-10 will be returned to the source. These are the last confidential documents related to the site plans. Thank you.

From: Traci Matthews Sent: Tuesday, June 08, 2010 8:49 AM To: Brenda Merritt Cc: Kimberley Pena Subject: RE: Undocketed filing

Any and all confidential documents related to the ten-year site plan review should have been returned to their respective sources. Kim, I apologize for letting your email re: DN 02846-10 "slip through the cracks." It should be returned as well.

I'm sorry for any confusion and/or trouble my oversight may have caused. Please let me know if there is anything else I can do to help rectify the situation.
