Dear Mr. Devlin:

Please accept this reply in response to your June 1, 2010 letter requesting information in regard to certain business relationships FPUC, Central Florida Gas and Chesapeake Utilities Corporation have with entities that are associated with current and former PSC employees. Please take note of 2 things: 1) the following reflects our best knowledge of these relationships based on the two areas outlined in your letter as we do not retain this type of information on a formal basis; and 2) our response is offered as our further good faith to work collaboratively with the Florida PSC and in no way do we waive future positions on these issues, if any.

1) Yes.
