Thank you for bringing this to our attention, Katherine. We will make the revision to the docket titles per this e-mail. It won't change the title on the recommendations, but any future filings will have the corrected title.

Marguerite, please follow-up on the docket title revisions.

Cathi, please print a CASR for the docket file.

Let me know if you have any questions.

I'm not sure why I'm just noticing this, but for the following dockets: 100154, 100155, 100157, 100158, 100159, 100160, and 100161, it states for the docket title "Petition of approval of demand-side management plan . . ." instead of "Petition for approval of demand-side management plan . . ." I looked at all the petitions filed and they are styled "petition for approval."

It's probably too late to do anything about it now, since we've already filed the recs, but I was curious.

Thanks!
