Ms. Argenziano I was sorry to read you leaving the PSC commission. My only hope is you will continue in politics. Florida needs people like you. Mr. Skop, I am very upset, but not surprised concerning the story in today's Palm Beach Post concerning FPL asking courts to eliminate you from discussions concerning them. You along with Ms. Argenziano, Mr. Klement and Stevens were a credit to the PSC and the residents of Florida. The cartoon below should read FPL laid off 25 Congressmen. Thought you would enjoy the ?cartoon.

Importance: High

To All Commissioners,

With regards to the actions of FPL towards Nathan Skop, you *all* have need to be concerned and must take action to stop FPL towards achieving their end - which is having Commissioner Skop removed from all future FPL hearings.

Such an action would set a precedent that would provide FPL unmitigated control over all of your actions and to the detriment of the ratepayers that you are there to serve.

FPL has proven that it has taken questionable actions before and if this action is successful against Commissioner Skop, then all of you are endangered as well as your successors.

Please take whatever measures you can to ensure that FPL does not succeed in it's quest.

The repercussions are just too dangerous.

Very truly yours,
Linda M. Drake

Dear Commissioner Skop,

It seems I am continually upset with the news in the Palm Beach Post concerning you and FPL, and the latest story on 9/14/2010, which I have enclosed for you to read. I don't have the words to express my gratitude to you for all you have done, and tried to do for the consumers who have no choice but to use FPL.

There was a list of senators and representatives who make up the nominating committee, and I have written them all and expressed my dissatisfaction with them and of course have not heard back from any of them. I have no doubt that FPL have these people in their pockets, and care more about "taking care" of them than the public. What upsets me more is the consumer who won't or can't get involved beyond talking about how high their electric bill is while standing around the water cooler. These fools, in my opinion, will get what they deserve when you and Ms. Argenziano complete your term in January. As for the politicians hopefully they will get what they deserve come November. You take care of yourself, sir. And again "Thank you"

FPL turns up heat on PSC member

By **SUSAN SALISBURY**

Palm Beach Post Staff Writer

Updated: 7:59 p.m. Monday, Sept. 13, 2010
Posted: 7:49 p.m. Monday, Sept. 13, 2010

In its battle to bar outgoing Florida Public Service Commissioner Nathan Skop from dealing with any of its issues, Florida Power & Light Co. pulled out all the stops Monday, seeking to prevent Skop from participating in a PSC hearing today.

The Juno Beach-based company filed additional motions with the Tallahassee-based 1st District Court of Appeal and the PSC on Monday in its latest attempt to keep him out of its business.

Late Monday the PSC deferred FPL's portion of today's hearing until Sept. 28.

The PSC, including Skop, is still expected to discuss other utility companies' energy-saving programs.

"Our goal is to stop him from participating in FPL matters," Barry Richard, a Tallahassee attorney representing FPL, said Monday.

FPL officials said in court filings that in the past year Skop has become increasingly hostile toward the company, and that his antagonistic behavior has been reserved for FPL. The company contends Skop is no longer fair and impartial.

Skop, 43, whose term ends Jan. 1, did not respond to a request for comment Monday.

In January, Skop and four other commissioners unanimously voted to reject FPL's proposed \$1.2 billion rate increase. The company was granted a \$75.5 million increase. Skop has stated that FPL "owns state government," and accused it of "spin" and "selective disclosure," and accused FPL's counsel of "misrepresentations," according to court filings.

Richard filed an emergency motion for a stay Monday, asking the 1st District Court of Appeal to stop Skop from hearing any FPL matters. On Sept. 2, FPL filed a motion with the PSC asking Skop to disqualify himself from involvement in any FPL issues.

At a nuclear cost hearing a week ago, Skop said the motion was moot because it was not issued far enough in advance of the hearing and did not cite the appropriate statute.

Skop's refusal to disqualify himself set off a series of court filings by FPL attorneys, including one that asks the court to force Skop to rule on the disqualification motion.

Friday, the appellate court gave Skop until Thursday to respond as to why FPL's petitions should not be granted.

The company's recent settlement of its rate case, and 10 other FPL issues are pending before the PSC this year.

Ann,

Mr. Larry Kraatz of Vero Beach (721 Timber Ridge Trail) called the Office of Commissioner Skop at 9:20 AM today to express his displeasure regarding FPL filings designed to remove Commissioner Skop from FPL-related dockets. He stated he was very concerned about FPL's attempts to silence Commissioner Skop, their "mafiosa tactics", their attempts to increase rates. He stated Commissioner Skop's input should be valued despite having voted against FPL. Mr. Kraatz stated he supports the appointment to the utility board of any advocate who supports people's rights.

*Thank you for taken on F.P.L. and representing the hard working families in Florida. In the past it always been F.P.L. who has been dictating to the consumers and it's nice to finally see a commissioner who is standing up for the people of Florida! The amount of electricity that needs to be generated today is getting to be less and less. With all the "Green" lighting, Appliances, Motors, A.C. units, etc.... our electric bill should be decreasing each year when in fact it is constantly on the rise. I've never seen so many excuses for increases. Make them open their books for the consumer to see. It would be in the best interest of the consumers. I look out my back window and see several old Electric poles that are rotted, and they claim that they have strengthened the electrical grid. Please keep on them and don't back down!
Thank You for your Fine Job as Commissioner.

Dear Mr. Skop. I just wanted to thank you on behalf of all Florida FPL customers. It's an outrage that FPL can be so brazen and open about trying to silence you, with not one word of support from your colleagues on the commission. Are they all bought and paid for by FPL? And where are our elected officials who are supposed to be looking out for us against a monopoly company which continues to be caught in lie after lie regarding costs and rates. Although I'm only one angry customer, I would like to help in any way I can. Who else is on our side? I live in a gated community in St Lucie county and I have hundreds of email addresses throughout the state. I will forward any communication or actions to them. Thanks again for standing with us. Patrick Mahoney, 1571 SE Ballantrae Ct. Port St Lucie Fl.34952. 772 337 2681.
