Hi Jerry,

Please confirm that these documents were not entered into the records or used during any hearing. Appeals may need them if there is an appeal. However, if not entered into the records or used during any hearings relating to this docket, then Appeals says its okay to return.

Thanks a million.

Lisa, document numbers 00237-09, 00239-09, and 00497-09 met declassification date on 10/25/2010. To date, we have not received a request for extension of confidential classification. Are these documents to be declassified and forwarded to the docket file (go online), declassified and forwarded to APA, or returned to the source?
