STAFF'S SUPPLEMENTAL FIRST DATA REQUEST

Re: Docket No. 100435-EG - Petition for approval of extending the small general service price responsive load management program pilot, by Tampa Electric Company.

Dear Mr. Beasley:

By this letter, the Commission staff requests that Tampa Electric Company (TECO) provide responses to the following data requests.

Please answer the following questions regarding Tampa Electric Company (TECO).

7. By Order No. PSC-09-0501-TRF-EG, TECO's Small General Service Price Responsive Load Management Pilot Program expenditures are capped at \$286,000 for the period July 15, 2009 to January 14, 2011.
 - a. How much of the \$286,000 has TECO already exhausted?
 - b. Does TECO anticipate exceeding the \$286,000 cap amount?
 - c. If the response to (b) is affirmative, by how much does TECO anticipate exceeding the cap amount?
8. Is TECO requesting an additional \$78,000, in excess of the previously approved \$286,000 for its Small General Service Price Responsive Load Management Pilot Program?
9. Should TECO's petition in DN 100435-EG be considered as a request for authorization to exceed the Commission's previously ordered cap of \$286,000, by \$78,000?

James D. Beasley, Esq.

J. Jeffry Wahlen, Esq.
