Issue 2: Should this docket be closed?

Recommendation: Staff recommends that the Order issued from this recommendation will become final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, F.A.C., within 21 days of the issuance of the Proposed Agency Action Order. As provided by Section 120.80(13)(b), F.S., any issues not in dispute should be deemed stipulated. If the company fails to timely file a protest and to request a Section 120.57, F.S., hearing, the facts should be deemed admitted and the right to a hearing waived. If the company's IXC Registration No. TK284 and price schedule is cancelled and its name removed from the register in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing intrastate interexchange telecommunications services in Florida. If there is no protest, this docket should be closed upon issuance of the Consummating Order.
