25-10.111 Customer Billing.

(1) Bills shall be rendered at regular intervals and shall show at least the billing period covered; identification of the applicable rate schedule; the amount of the bill and, as applicable, gross and/or net billing, and/or discount or penalty, and final discount or penalty date. When there is good reason for doing so, estimated bills may be submitted. If bill is estimated, it shall be so marked.

(2) Whenever for any reason the period of service for which a bill is rendered is less than fifty percent (50%) of the normal billing period, the charges applicable to such service, including minimum charges, shall be pro-rated in the proportion that the actual number of service days bears to a thirty (30) day month, except that:

(a) Opening bills need not be rendered but may be carried over to and included in the next regular monthly billing.

(b) For service taken under flat rate schedules, fifty percent (50%) of the normal charges may be applied.

(c) The practices employed by the utility in this regard shall have uniform application to all customers.

(3) Bills shall not be considered delinquent prior to the expiration of twenty (20) days

from the date of mailing or delivery by the utility.
