Re: DN 100154-EG - Petition for approval of demand-side management plan of Gulf Power Company. (Program Participation Standards for Solar Pilot Programs)

Dear Ms. Ritenour:

On October 4, 2010, the Commission issued Order No. PSC-10-0608-PAA-EG, approving the Solar Pilot Programs for Gulf Power Company (Gulf). Gulf filed program participation standards for the programs on November 23, 2010. The standards were revised by Gulf on January 7, 2011 and again on January 14, 2011.

Commission staff has reviewed Gulf's filings and believes the revised solar pilot program participation standards filed by Gulf on January 14, 2011, are consistent with the solar pilot programs approved by the Commission on October 4, 2010 in Order No. PSC-10-0608-PAA-EG. Please notify the Commission prior to any changes being made to the program standards.

Sincerely,

A handwritten signature in black ink that reads "Beth Salak".
