Re: Docket No. 110021-WS - Application for certificates to provide water and wastewater service in Lake County by Equity LifeStyle Properties, Inc., Grand Island Resort Utility

Dear Mr. Cooke:

Staff has reviewed the above-referenced filing on behalf of Grand Island Resort Utility (Grand Island or Utility) and determined that the following information is necessary to meet the requirements of Commission rules and to clarify the application.

Deficiencies

- 1. Land Ownership.** Exhibits E and G contain a quit claim deed dated April 2002 that transferred the specified property to MHC Grand Island, L.L.C. Pursuant to Rule 25-30.033(1)(j), Florida Administrative Code (F.A.C.), please provide a copy of the agreement executed by MHC Grand Island, L.L.C., that permits the certificated utility's long-term continuous use of the land on which the water and wastewater facilities are located, such as a 99-year lease.
- 2. Legal Description.** The legal description provided in Exhibit K does not match the service territory depicted on the maps provided in Exhibits L and M. Exhibit K describes a parcel of land that is 349.58 feet wide and approximately 1,800 feet long. The proposed territory shown on the maps is much larger than this. Pursuant to Rules 25-30.030 and 25-30.033(1)(l), F.A.C., please provide a complete legal description of the territory that includes a reference to township(s), range(s), land section(s) and county, as well as a complete and accurate description of the territory using either the sections format or the metes and bounds format.
- 3. Territory Maps.** Rule 25-30.033(1)(n) requires that the application include a map showing township, range, and section with a scale such as 1" = 200' or 1" = 400', with the proposed territory plotted thereon by use of metes and bounds or quarter sections, and with a defined reference point of beginning. The maps submitted in Exhibits L and M do not display the territory using the scale as specified by the rule, do not meet the metes and bounds or quarter sections requirement, and do not provide a defined reference point of beginning. Please provide a territory map that meets these rule requirements and clearly illustrates the territory border using a bold line with sufficient contrast for easy reading.
- 4. Notice of Application.** Pursuant to Rule 25-30.030, F.A.C., the Utility must provide notice of the application to those parties named on the list provided by the Commission and to each customer of the systems to be certificated. The notice must also be published in a newspaper of general circulation in the territory, as prescribed by this rule. Attached, please find the Commission's list of parties to be noticed. Please submit to the Commission the affidavits required by Section 367.045(1)(e), Florida Statutes (F.S.), with a copy of the notice attached. Please note that the proposed notice submitted for

staff's review depicts a parcel of land that is 363.10 feet wide and approximately 3,000 feet long. The proposed territory shown on the maps is much larger than this. In addition, please note that the legal notice must be revised to reflect the correct complete legal description, as addressed in Item 2 above.

Additional Information

5. **Land Ownership.** Please explain the relationship between *Equity LifeStyle Properties, Inc. (ELP)* and *MHC Grand Island, L.L.C.*
6. **Customer Class.** It is staff's understanding that Grand Island has 362 residential lot connections. Exhibit J, Schedule No. A-1, indicates that a general service customer class is also being served. Please confirm whether the clubhouse, billiard room, and laundry room are the Utility's only general service customers and whether each of these connections is individually metered.
7. **DEP Permit.** Please provide a copy of the wastewater treatment plan operating permit.
8. **Annual Gallons Sold.** Schedule No. B-10 of Exhibit J indicates the estimated annual gallons sold as 27,030,000 gallons. Please provide documentation that shows how this figure was determined.
9. **Tariffs – Description of Territory Served.** Please update Original Sheet No. 3.1 of the Water and Wastewater Tariffs to reflect the correct legal description of the proposed service territory, as addressed in Item 2 above.
10. **Tariffs – Customer Bill.** Rule 25-30.335, F.A.C., provides that a utility cannot consider a customer delinquent in paying his or her bill until the 21st day after the utility has mailed or presented the bill for payment. Rule 25-30.320, F.A.C., provides that service may be discontinued after five working days written notice is mailed to the customer, separate and apart from any bill for service. For clarity, you may wish to include this language on your customer bill.

Should you have any questions concerning the above-referenced items, please feel free to contact Ms. Melissa Jones-Alexis, of my staff, by phone at (850) 413-6997 or mjonesal@psc.state.fl.us. To ensure timely processing of your application, the above-referenced documents and statements should be filed on or before March 4, 2011. Please ensure that your transmittal references Docket No. 110021-WS and that it is mailed directly to:
