BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Fuel and purchased power cost
recovery clause and generating performance
incentive factor

Docket No.: 110001-EI
Date: March 1, 2011

REQUEST FOR CONFIDENTIAL CLASSIFICATION

GULF POWER COMPANY ["Gulf Power", "Gulf", or the "Company"], by and through its undersigned attorneys and pursuant to Rule 25-22.006, Florida Administrative Code, hereby files its request that the Florida Public Service Commission enter an order protecting from public disclosure certain information contained in Schedule CCA-4 of Exhibit RWD-1 to the Direct Testimony of Richard W. Dodd dated March 1, 2011, (Schedule CCA-4) on behalf of Gulf Power. As grounds for this request, the Company states:

1. A portion of the information contained in Schedule CCA-4 is proprietary confidential business information regarding contractual matters which would cause irreparable harm to Gulf Power, the entities with whom it has contracted, and most importantly, to Gulf's customers if such information was disclosed to the general public. In addition, the Schedule contains information relating to competitive interests in capacity markets which would cause irreparable harm to Gulf Power and the entities with whom it has contracted if such information was disclosed to the general public. The information is entitled to confidential classification pursuant to section 366.093(3) (d) and (e), Florida Statutes. Schedule CCA-4 provides the price terms for capacity contracts entered into by Gulf Power for 2010. The price terms in these contracts are regarded by both Gulf and the counterparty as confidential. The pricing, which resulted from negotiations between Gulf and the counterparty, is specific to the individual contracts and is not publicly known. Disclosure of this information would negatively impact Gulf's ability to negotiate pricing favorable to its customers in future capacity contracts because potential counterparties may refuse to enter into contracts with Gulf, or may charge higher prices if the price terms were made public.

2. The information filed pursuant to this Request is intended to be, and is treated as, confidential by Gulf Power and, to this attorney's knowledge, has not been otherwise publicly disclosed.

3. Submitted as Exhibit "A" is a copy of Schedule CCA-4, on which is highlighted the information for which confidential classification is requested. Exhibit "A" should be treated as confidential pending a ruling on this request. Attached as Exhibit "B" are two (2) edited copies of Schedule CCA-4, which may be made available for public review and inspection. Attached as Exhibit "C" to this request is a line-by-line/field-by-field justification for the request for confidential classification.

WHEREFORE, Gulf Power Company respectfully requests that the Commission enter an order protecting the information highlighted on Exhibit "A" from public disclosure as proprietary confidential business information.

Respectfully submitted this 1 day of March, 2011.
