Re: Docket No. 090346-WU - Staff Assisted Rate Case for
Brendenwood Water System, Inc. in Lake County

To Office of Commission Clerk:

Please be advised that we will not be able to complete the proforma plant improvements of \$8,800 by the required implementation date of 4/16/11. We do not have the funds and have not determined a way to obtain the funds in order to complete the tank refurbishment in order for you to increase our rates to cover the cost.

Thank you.
