AFFIDAVIT OF ANTONIO MACEO

BEFORE ME, the undersigned authority, personally appeared Antonio Maceo who, being first duly sworn, deposes and says:

1. My name is Antonio Maceo. I am currently employed by Florida Power & Light Company ("FPL") as Manager, Internal Auditing. My business address is 9250 West Flagler Street, Miami, Florida 33174. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Second Revised Exhibit C, and the documents that are included in Revised Exhibit A to FPL's Second Request for Extension of Confidential Classification of Information Obtained in Connection with Audit No. 06-044-4-1, for which I am identified on Second Revised Exhibit C as the affiant. The information that FPL asserts is proprietary and confidential business information includes internal auditing controls and reports of internal auditors. The information also includes contractual data, such as pricing and other terms, the disclosure of which would impair FPL's ability to contract for goods or services on favorable terms in the future. The information also relates to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

3. Nothing has changed since the issuance of Order No. PSC-09-0786-CFO-EG to render the information state or public such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

1. My name is Roger F. Messer. I am currently employed by Florida Power & Light Company ("FPL") as Director, Environmental Support and Administration. My business address is 700 Universe Boulevard, Juno Beach, Florida 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Second Revised Exhibit C, and the documents that are included in Revised Exhibit A to FPL's Second Request for Extension of Confidential Classification of Information Obtained in Connection with Audit No. 06-044-4-1, for which I am identified on Second Revised Exhibit C as the affiant. The information that FPL asserts is proprietary and confidential business information includes contractual data, such as pricing and other terms, the disclosure of which would impair FPL's ability to contract for goods or services on favorable terms in the future. Specifically, the information relates to vendor payments for environmental compliance costs and maintenance costs. The information also relates to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

3. Nothing has occurred since the issuance of Order No. PSC-09-0786-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate.
