Re: Docket No. 100359-WS

Enclosed are copies of documents supporting a request to include, on a proforma basis, a \$1,750 Sewer expense increase in the annual Volusia County Health Department fee in the instant SARC Docket. This documentation represents a bill from a Volusia Regulatory agency with jurisdiction over Tymber Creek Utilities, Incorporated. (TCU)

As a bill from a regulatory agency, this increase should be allowed by the Florida Public Service Commission for ratemaking purposes.

Thank you very much,

Robert F. Dodrill, Sr.
