BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Fuel and Purchase Power Cost )
Recovery Clause with Generating )
Performance Incentive Factor )

Docket No. 110001-EI

STATE OF FLORIDA )
COUNTY OF PALM BEACH )

AFFIDAVIT OF ANDREW B. DILLMAN

BEFORE ME, the undersigned authority, personally appeared Andrew B. Dillman who, being first duly sworn, deposes and says:

1. My name is Andrew B. Dillman. I am currently employed by Florida Power & Light Company ("FPL") as Manager, Regulatory in the Energy Marketing and Trading Division. My business address is 700 Universe Boulevard, Juno Beach, Florida 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information which are included in Exhibits A and C to FPL's April 3, 2009 Request for Confidential Classification of Fuel Hedging Information, which is adopted by reference in FPL's First Request for Extension of Confidential Classification of Fuel Hedging Information. The documents or materials in Exhibit A which are asserted by FPL to be proprietary confidential business information contain or constitute data related to FPL's 2008 hedging results for natural gas and fuel oil. The disclosure of this information would provide other participants in the fuel and electric power markets insight into FPL's marketing and trading practices that would allow them to anticipate FPL's marketing and trading decisions and/or impair FPL's ability to negotiate, to the detriment of FPL and its customers. The information relates to competitive interests, the disclosure of which would impair the competitive business of FPL, and would place FPL at a competitive disadvantage when coupled with other information that is publicly available. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents

4. Affiant says nothing further.
