Critical Date(s): 8-Month Effective Date Waived Through July 17, 2012.

Commissioners Assigned: All Commissioners

Prehearing Officer: Balbis

Staff: AFD: Fletcher, M. Brown, Maurey

GCL: Jaeger

Issue 1: What are the appropriate service availability charges for the Utility?

Recommendation: Sunshine's current system capacity charge should be discontinued. In addition, the appropriate meter installation and customer connection tap-in charges are set forth below:

Meter Installation Charges	
Meter Size	Charge
5/8"x3/4"	\$115
1"	\$195
1-1/2"	\$530

6"	\$3,560
Customer Connection Tap-In Charges	
Same Side of Road	\$750
Opposite Side of Road	\$1,115

Further, the Utility should file revised tariff sheets which are consistent with the Commission's decision. Staff should be given administrative authority to approve the revised tariff sheets upon verification that the tariffs are consistent with the Commission's decision. Once the revised tariff sheets and customer notice are filed and approved, the revised service availability charges should become effective for connections made on or after the stamped approval date of the revised tariff sheets, if no protest is filed.

Issue 2: Should this docket be closed?

Recommendation: No. If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, a consummating order will be issued. The docket should remain open for staff's verification that the revised tariff sheets and customer notice have been filed by the Utility and approved by staff, and that the interim refund has been completed and verified by staff. MEETING ROOM SETUP

Seating

If at all possible, the head table should be on an elevated platform in front of the audience. A raised bench such as we have at the Commission is best. A table may only be used if the front and sides are covered with a modesty skirt. Folding tables with an open front are appropriate only when using a modesty skirt.

A separate podium or table to one side of and facing the head table (away from the audience) is required for customers. Another table may be necessary if a court reporter is required.

The meeting set up should appear as shown below:

Public Address System

If possible, a minimum of two microphones (three are preferred), one for the head table and one for the customer podium, is required. The public address system should be sufficient to ensure that the audience can hear what is being said in normal speaking voices.
