Re: Docket No. 110260-WS – Application for staff-assisted rate case in Lee County by Useppa Island Utilities Co., Inc.

Dear Mr. Glidden:

This letter is to confirm our reservation of the Tarpon Bar for Wednesday, February 29, 2012, from 5:00 p.m. to 10:00 p.m. We are planning a general customer meeting beginning at 6:00 p.m. We may finish the general customer meeting before 10:00 p.m. depending on the number of attendees and the number of comments received.

I understand that the Tarpon Bar seats at least 100 people and an audio system will be available for our use. I am enclosing a diagram of the standard set-up for the meeting. If you have any questions, please contact me at (850) 413-7021. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Lydia Roberts".

MEETING ROOM SETUP

Seating

If at all possible, the head table should be on an elevated platform in front of the audience. A raised bench such as we have at the Commission is best. A table may only be used if the front and sides are covered with a modesty skirt. Folding tables with an open front are appropriate only when using a modesty skirt.

A separate podium or table to one side of and facing the head table (away from the audience) is required for customers. Another table may be necessary if a court reporter is required.

The meeting set up should appear as shown below:

Public Address System

If possible, a minimum of two microphones (three are preferred), one for the head table and one for the customer podium, is required. The public address system should be sufficient to ensure that the audience can hear what is being said in normal speaking voices.
