*I hope that the Mgt will get rid of the rust color in the water so I do NOT have to see color catchers in my water (Laundry)*

CONSUMER COMMENTS	
I am a renter of Pine Ridge Park and I feel to raise the rate 200% is outrageous.	
First the water we have usually has a yellow color. if I didn't use the "Shout Color Catcher" for my laundry they would have yellow tint. (It had never been clear.)	
Second I do not like the waste water from the ponds behind me going in the ditch by my place whenever they let it out. It stands there for a few days.	
Please consider allowing 200% raise. I am on a fixed income.	
Thank You Eleanor Milke
