Dear Mr. Friedman:

Staff needs the following information to complete our review of the application filed by Labrador Utilities, Inc. (Utility or Labrador).

1. According to Order No. PSC-09-0711-AS-WS, Attachment A page 1 of 5 (Settlement Agreement between Labrador Utilities, Inc. and Office of Public Counsel), the Utility agreed to work with the customer representatives to study the wastewater treatment plant order problem and if necessary, propose cost effective measures to address the odor problem. Please describe the steps taken and results achieved to address this problem to date.

Please submit the above information to the Office of Commission Clerk by January 20, 2012. If you have any questions, please contact James McRoy by phone at (850) 413-6934 or by e-mail at JMcroyc@psc.state.fl.us.
