Re: Petition for approval of new environmental program for cost recovery through
Environmental Cost Recovery Clause by Tampa Electric Company;
Docket No. 110262-EI

Dear David and Jenny:

Enclosed are two CDs, each of which contains Tampa Electric Company's answers to Staff's Second Data Request Nos. 1-16. Charlie Murphy asked that we deliver this filing directly to you. Please note that two pages of this filing (Tampa Electric's responses to Data Requests Nos. 6 and 7, Bates stamp pages 91 and 92) are redacted, as they are the subject of a Request for Confidential Classification and Motion for Temporary Protective Order. The original unredacted answers to these two data requests are available in the Commission Clerk's office.

Please let me know if you have any questions.

Sincerely,

James D. Beasley
