In re: Fuel and purchased power cost recovery	Docket No. 120001-EI
clause with generating performance incentive factor	May 7, 2012
STATE OF FLORIDA)	AFFIDAVIT OF GERARD J. YUPP
COUNTY OF PALM BEACH)	ATTIDATTI OT GERAID 9. TOTT
BEFORE ME, the undersigned authority, personally appeared Gerard J. Yupp who, being first duly sworn, deposes and says:	
1. My name is Gerard J. Yupp. I am currently employed by Florida Power & Light Company ("FPL") as Senior Director, Wholesale Operations in the Energy Marketing and Trading Division Department. I have personal knowledge of the matters stated in this affidavit.	
2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification. The documents and materials in Exhibit A which are asserted by FPL to be proprietary confidential business concern bids and other contractual data, the public disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. Specifically, the documents contain information regarding FPL's coal suppliers, purchase volumes, and both energy and commodity pricing metrics. The documents also contain detailed information about delivery methods and pricing. In addition, these confidential documents contain information related to competitive interests, the disclosure of which would place FPL at a competitive disadvantage when coupled with other information that is publicly available.	
3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.	
4. Affiant says nothing further.
