Mr. Mohammad,

I am the Analyst who has been assigned to work with you on your potential voluntary cancellation request.

Your company responded to a FLPSC Competition Report mailout and it was

5/30/2012

received back December 30, 2011.

The note on the form received states "currently, not operational".

In order for me to proceed with a voluntary cancellation request, I want to make sure the company is actually requesting a December 2011 certificate cancellation or is just in a holding pattern and not operational yet.

Please confirm in this email if you were requesting cancellation effective December 2011 and I will proceed forward with the company's cancellation request.

If you have any questions, please call or email me.

Take Care,
