Jenny,

Attached you will find the Word document of our responses to the 6<sup>th</sup> set of discovery. Also, per your request, the cost to reline/remediate the existing site is \$11,500,000. That cost has not been contemplated as an expenditure Tampa Electric would put through the ECRC. When more info becomes available, I'll forward to you – hopefully today. Could I ask you to respond to this email to be sure you received it? Thanks, Howard
