IN RE: Energy Conservation Cost Recovery Clause

Docket No: 130002-EG Date: January 28, 2013

STATE OF FLORIDA)
MIAMI-DADE COUNTY)

AFFIDAVIT OF ANITA SHARMA

BEFORE ME, the undersigned authority, personally appeared Anita Sharma who, being first duly sworn, deposes and says:

1. My name is Anita Sharma. I am currently employed by Florida Power & Light Company ("FPL") as Manager, Demand Side Management Cost and Performance. My business address is 9250 West Flagler Street, Miami Florida, 33174. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the Third Revised Exhibit C and the documents that are included in the First Revised Exhibit A to FPL's Third Request for Extension of Confidential Classification of Information Provided Pursuant to Audit No. 07-071-4-3 for which I am identified as the affiant. Such documents or materials that I have reviewed and which, in whole or in part, are asserted by FPL to be proprietary confidential business information, contain or constitute competitively sensitive information, the disclosure of which could impair the competitive business of the provider of the information. Specifically, some of the information contains information related to payroll rates. Additionally, some documents contain customer-specific account information, which if disclosed would impair FPL's competitive interests. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law to entities or persons other than the customer absent the customer's consent. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Nothing has occurred since the issuance of Order No. PSC-11-0321-CFO-EG to render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least an additional eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
