CUSTOMER NOTICE

June 4, 2013

On October 2, 2012, Pluris Wedgefield, Inc. (the "Utility"), completed its application to the Florida Public Service Commission (the "Commission") for increased water and wastewater service rates, in which it requested a permanent increase for its water system in Orange County of 40.04% and a permanent increase for its wastewater system in Orange County of 24.92%

By Proposed Agency Action Order No. PSC-13-0187-PAA-WS ("PAA Order"), issued May 2, 2013, the Commission approved a 40.12% rate increase for water service and an increase of 21.37% for wastewater service. These rates and charges were designed to allow the Utility the opportunity to recover its reasonable and prudent costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such water and wastewater service. The PAA Order was not protested within the protest period, and became final by Order No. PSC-13-0239-CO-WS, issued May 31, 2013.

The increased rates and charges are effective for service on or after June 9, 2013.

The rates prior to filing, and the Commission-approved water and wastewater rates are attached to this customer notice.

This notice was prepared by the Utility and approved by the Commission Staff for distribution by the Utility to its customers.

If you have any questions, please call the Utility's office at (888)758-7471, between the hours of 9:00 a.m. and 4:30 p.m. Monday through Friday.

Sincerely,

Pluris Wedgefield, Inc.
