Brenda,  
Confidential DN 05682-11 is the same information as in DN 06261-11, except OPC filed DN 05682-11 and not FPL.

So per this information, the Clerk's Office will only return confidential DN 05324-11 to FPL along with the other documents listed below.

Sorry for any confusion.

Thanks.

Hi Michael,

There are a number of confidential documents from the 2011 Nuclear Cost Recovery docket for which FPL will need to seek continued confidential treatment by October 13th if they are not returned. The document numbers are 06261-11; 06184-11; 05916-11; 05328-11; 03013-11; and 01384-11. Could staff please consider whether any of these documents can be returned to FPL? Thanks.

Sincerely,
