Re: MCC Telephony of Florida, LLC Revisions to Access
Services Price List (Florida Price List No. 3):

Dear Ms. Cole,

Enclosed, on behalf of MCC Telephony of Florida, LLC, please find an original and three (3) copies of proposed revisions to the Company's above-referenced telecommunications access services price list. The purpose of this filing is to maintain MCC Telephony's switched access rates at applicable benchmark levels as well as to make various "housekeeping" edits, including an update to the Company's issuing officer and address. Pursuant to Federal Communications Commission regulations, MCC Telephony's intrastate terminating switched access rates remain at parity with the Company's interstate terminating switched access rates. The following pages are included with this filing, with an issued date of October 10, 2013 to become effective on October 16, 2013:

Sincerely,

Winafred Brantl
