Re: Su-293-13-S-1-R

New class of service

To Whom It May Concern:

Forest Utilities, Inc. will add new class of service for reuse water for private golf course irrigation.

Reuse water has been pumped to The Forest Country Club at no charge since 1989. As of January 1, 2014 a charge of \$0.15 per thousand gallons will be billed to offset treatment cost.

We feel this is a reasonable rate as Lee County Utilities, Inc. charges \$0.45 per thousand gallons.

David W. Swor
