Dorothy,

The docket title for Docket No. 130194-WS should be changed as follows:

From:

“Application for staff-assisted rate case in Lake County by Shangri-La by the Lake Utilities, Inc.”

To:

“Application for staff-assisted rate case in Lake County by Lakeside Waterworks, Inc.”

The utility was in the process of being transferred from Shangri-La by the Lake Utilities, Inc. to Lakeside Waterworks, Inc., Docket No. 120317-WS, when the SARC application was filed. Lakeside filed the SARC without the benefit of an attorney or consultant, and is new to utility ownership, and should have listed its name instead of “Shangri-La by the Lake Utilities, Inc. c/o Lakeside Waterworks, Inc.” as the applicant.

Also, please remove company code WS728 from the Utilities and Parties tabs in CMS, and replace it with company code WS962. I spoke with the utility, and it will update its contact information as soon as possible.

Please let me know if you need any other information.

Thanks.
