Case Background

On October 28, 2013, the Commission issued a Proposed Agency Action, Order No. PSC-13-0505-PAA-EI (Pipeline Order), on the proposed Sabal Trail Transmission, LLC (Sabal Trail) and Florida Southeast Connection Pipelines to be constructed to meet Florida Power & Light Company's (FPL)'s gas transmission needs. The Pipeline Order approved FPL's need for additional firm natural gas transmission capacity and its eligibility to seek recovery of costs associated with firm natural gas transportation contracts in the fuel clause. The Pipelines were selected by FPL, following a request for proposals (RFP) to develop new natural gas transportation infrastructure into southern Florida. The Commission acknowledged that FPL demonstrated a need for 400 MMcf/day of additional firm natural gas transmission capacity by 2017 and is eligible to seek recovery of costs associated with firm natural gas transportation contracts in the fuel clause. The Pipeline Order notes that FPL is not obligated by law to obtain
