Yes, it is a typo. The correct docket number 140025. Sorry for the confusion.
Thanks,
Ruth

Thank you for that information, Bob. The e-mailed instructions advise that it was related to Docket 140026, but I believe this should have been placed in Docket 140025. We'll get that confirmed and corrected.

Not sure if you handle this...this document is for an FPU electric case and it was placed in the wrong file.
