In re: Petition for Approval of Optional	Docket No. 130223
Non-Standard Meter Rider	Filed March 3, 2014

OPPOSITION TO FLORIDA POWER & LIGHT COMPANY'S MOTION FOR LIMITED WAIVER OF TIME FOR FINAL COMMISSION ACTION

COME NOW, Petitioners, by and through the undersigned attorney, who file this Opposition to Florida Power & Light Company's Motion for Limited Waiver of Time for Final Commission Action, and in support thereof, state the following:

- 1. Petitioners do not contest the representations made by Florida Power & Light Company ("FPL") in ¶¶ 1 through 7 of its Motion for Limited Waiver of Time for Final Commission Action.
- 2. With regard to ¶ 6, however, Petitioners do believe that the granting of FPL's Motion will prejudice them.
- 3. Petitioners are scheduled to begin having to pay the Non-Standard Meter Rider ("NSMR") tariff in June 2014, and to the extent that the majority of this matter would be completed, under the Order Establishing Procedure ("OEP"), June 26, 2014, elongating this matter through December 2014 could present a financial hardship to many customers while contested matter remain at issue.
- 4. Even where the "Enrollment Fee" and the "Monthly Surcharge" are being placed in escrow by FPL during the course of these proceedings, this fact does not diminish the financial harm to Petitioners.
- Petitioners request that during the pendency of this action, NSMR tariff implementation be suspended, so that the status quo may remain until a final decision is reached.

WHEREFORE, for the foregoing reasons, Petitioners, oppose FPL's Motion for Limited Waiver of the Time for Final Commission Action.
