P R O C E E D I N G S

CHAIRMAN GRAHAM: Item Number 10.

MR. ROME: Good morning. Item Number 10 is a staff initiated docket being presented as an opportunity to streamline and achieve greater consistency in the reporting of information by investor-owned electric utilities with Commercial/Industrial Service Rider, or commonly known as CISR tariffs.

Annually, in conjunction with the December earnings surveillance reports, companies with CISR tariff customers would report the total difference between the calendar year revenues that would have been received under the otherwise applicable tariff rates and the CISR rate.

Staff recommends approval.

CHAIRMAN GRAHAM: Thank you, staff.

Commissioners, any questions of staff on Item Number 10?

Seeing none, I'm prepared for a motion.

COMMISSIONER BRISÉ: Move staff.

COMMISSIONER BROWN: Second.

CHAIRMAN GRAHAM: It has been moved and seconded, staff recommendation on Item Number 10. Any further discussion?
