SECOND NOTICE OF INTENT TO REQUEST CONFIDENTIAL CLASSIFICATION

Calpine Construction Finance Company, L.P. ("Calpine"),
pursuant to Section 366.093, Florida Statutes, and Rule 2522.006, Florida Administrative Code, files its Second Notice of
Intent to Request Confidential Classification of the confidential
portions of some of the documents produced by Calpine in response
to Duke Energy Florida, Inc.'s ("DEF's") discovery requests in
this docket. Specifically, documents produced by Calpine's
expert witness Paul Hibbard contain proprietary confidential
business information, including Competitively Sensitive
Confidential Information as that term is defined in the
Confidentiality Agreement between Calpine and DEF, the disclosure
of which would adversely impact Calpine's competitive business
interests.

Attached as Exhibit A is a CD containing confidential, highlighted copies of the above-referenced documents.

Pursuant to Rule 25.22.006(3)(a)(1), Calpine will file its Request for Confidential Classification for such confidential information contained therein within twenty-one (21) days of filing this request.

Respectfully submitted this 21st day of July, 2014.
