AND MOTION FOR TEMPORARY PROTECTIVE ORDER**

Tampa Electric Company ("Tampa Electric" or "the company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby request confidential classification of the yellow highlighted information contained in the following described document(s) ("the Document(s)") stamped "CONFIDENTIAL" and all information that is or may be printed on yellow paper stock stamped "CONFIDENTIAL" within the Document(s), all of said confidential information being hereinafter referred to as "Confidential Information."

**Description of the Document(s)**

Audit Work Papers pursuant to Audit Control No. 14-083-2-2. In support of this request, the company states:

1. Subsection 366.093(1), Florida Statutes, provides that any records "found by the Commission to be propriety confidential business information shall be kept confidential and shall be exempt from s. 119.07(1), Florida Statutes [requiring disclosure under the Public Records Act]." Proprietary confidential business information includes, but is not limited to "[i]nformation concerning . . . contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms."

Subsection 366.093(3)(d), Florida Statutes. Proprietary confidential business information also includes “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Section 366.093(3)(e), Florida Statutes. The Confidential Information that is the subject of this request and motion falls within the statutory categories and, thus, constitutes propriety confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

2. Attached hereto as Exhibit "A" is a justification for confidential treatment of the Confidential Information contained in the Document(s).

4. The Confidential Information contained in the Document(s) is intended to be and is treated by Tampa Electric as private and has not been publicly disclosed.

**Requested Duration of Confidential Classification**

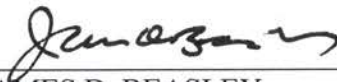

6. Tampa Electric requests that the Confidential Information be treated by the Commission as confidential proprietary business information for at least the 18 month period prescribed in Rule 25-22.006(9)(a), Florida Administrative Code. If, and to the extent that the company is in need of confidential classification of the Confidential Information beyond the 18

month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "C" to this request and motion.

WHEREFORE, Tampa Electric Company respectfully requests that the Confidential Information that is the subject of this request and motion be accorded confidential classification for the reasons set forth herein and for a minimum period of 18 months, subject to any request for a longer period of confidential classification as may be set forth in Exhibit "C" to this request and motion. The company further moves for the entry of a temporary protective order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, protecting the Confidential Information from public disclosure.

- 
- (1) The highlighted information contains specific details about fuel hedging volume, pricing, percentages and/or counterparties. This type of information about a commodity has been recognized by the Commission on numerous occasions to constitute proprietary confidential business information. Knowledge of this information would allow the opportunity for market manipulation through transactions made in anticipation of the company's entry into the market. Market manipulations based on knowledge of the highlighted information would increase the price of fuel paid by Tampa Electric's customers as well as the price paid by the company to hedge the customers' price of fuel. This is the specific type of information described in Section 366.093(3)(d) and (e) as being entitled to confidential protection and exemption from the Public Records Law.
  - (2) The highlighted information includes Tampa Electric's bid evaluations and contains agreed upon commodity rates. Commodity rates have been recognized by the Commission on numerous occasions to constitute proprietary confidential business information and the disclosure of which would be harmful to Tampa Electric's ability to contract for goods and services on favorable terms. This is the specific type of information described in Section 366.093(3)(d) and (e) as being entitled to confidential protection and exemption from the Public Records Law.
  - (3) The information contained on the listed pages includes Tampa Electric's extended credit limits for trading companies. The disclosure of the counterparties and credit terms could cause other trading entities to modify existing or potential future terms of any agreements. As such, public disclosure of the information would adversely affect the competitive interests of Tampa Electric and its ability to contract for goods and services on favorable terms. The disclosure of this information would therefore be harmful to competitive interests, and as such, the information is entitled to confidential treatment pursuant to Section 366.093(d) and (e), Florida Statutes.
  - (4) The confidential information shows estimated purchase amounts pursuant to confidential contracts as negotiated by and between Tampa Electric Company and certain energy providers. As such, the information in question is information concerning bids or other contractual data the disclosure of which would impair the efforts of Tampa Electric to contract for goods and services on favorable terms. It is also information relating to competitive interests, the disclosure of which would impair the competitive business of Tampa Electric. The confidential information falls within the above statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093 and Rule 25-22.06.

**PUBLIC VERSION(S) OF THE DOCUMENT(S)**

Attached hereto (unless previously filed as may be noted below) are two public versions of the Document(s) with the Confidential Information redacted.

Public Version(s) of the Document(s) will be submitted under a separate filing   X

**REQUESTED DURATION OF CONFIDENTIAL CLASSIFICATION**

Tampa Electric requests that the Confidential Information that is the subject of this request be treated as proprietary confidential business information exempt from the Public Records Law for a minimum of 18 months from the date of the order granting such classification. To the extent the company needs confidential protection of the Confidential Information for a period longer than 18 months, the company's justification therefor is set forth below:
