Dear Julie Imanuel Brown,

I am writing because I am concerned about outside groups like the Southern Alliance for Clean Energy, which purport to be about what's best for "Florida", but actual, THEY are funded by out-of-state interests! YOU KNOW THAT. Florida has already imposed enough regulations on its energy sectors, & even closed down one of our oil extractors...I knew that was coming, too, without knowing any details when I firts moved here..Why? Because I'm from California, where they beg borrow lie & Steal to get their agendas done! I have friends that own farms, & they're making it impossible for them to survive! I'm living on my savings here in my 1st & only used 1989 home, that has dailey problems, let alone needing updating...& I can't afford to pay more to keep my home cool just to satisfy an interest group's agenda. I just forked out \$5, 000.00 for an energy effeciant 13 sier; Air conditioner that stays on for 3mins, goes off for 7 mins, & each & every time it starts, it booms! & It's attached to my ever so thin bedroom closet wall! Outside, hense I can't sleep during

Summer days. The vent in the bedroom is 5 degrees hotter closest vent from the unit, too...& nobody knows why..& yesterday I heard the new LAW REQUIRES a 14 Sier!???WHAT?! They are nothing but destroyers & we all know it! Please oppose outside groups like SACE and do what is best for us, the people who voted for your values & strengths. Help me keep my home as long as I live...I'm 62 & getting \$900.00 month S.S.& that's it. I have no where else to go.No children, husband, ect.

I know you do care as we would've never voted for you, if you didn't. Please do the right thing.  
Thank you.

Sincerely,  
Anita Locashio
